WorkCentre 3210 Multifunction Printer

Maximised efficiency, tailored to your desktop

xerox®

Xerox® WorkCentre™ 3210 Multifunction Printer

True office productivity on your desktop. The WorkCentre 3210 is a highly compact device complete with extensive features to increase performance and manage costs. This value-packed and reliable all-in-one print/copy/scan/fax device has been designed for individuals and small work teams in mind.

Performance-tuned for busy professionals

The WorkCentre 3210 puts a premium on efficiency, giving you the power and functions you need to stay on top of heavy workloads.

24 ppm

- **Fast output keeps pace with high demand.** Print speeds up to 24 ppm, and a rapid first-page-out time of less than 9.5 seconds, deliver documents fast.
- **Concurrent operation.** This means you can quickly scan a file when you need it, even while other jobs are printing.
- **Flexible paper handling.** Reliably feed a wide variety of media, including cardstocks, transparencies, envelopes and papers ranging from 60 – 163 gsm.
- **Sharp, clear images and text,** with up to 1200 x 1200 enhanced image quality plus PCL® 6 and PCL 5e printer languages.
- **Find your most-needed functions fast.** Using the user-friendly front panel with large, easy-to-read buttons and a two-line LCD display.
- **Set-up is easy,** thanks to the installation video, simplified network and driver installation.
- **No-hassle maintenance.** An all-in-one user-replaceable print cartridge keeps intervention to a minimum, and a robust monthly duty cycle of up to 30,000 pages ensures reliable operation day after day.

Outstanding overall value

The WorkCentre 3210 delivers more for your money and helps small offices gain efficiency while keeping costs down.

- **Affordable price.** Lets you add superior office capabilities without breaking your budget.
- **Combines critical functions.** Operating one device that does the work of four reduces operating costs and service calls.
- **High productivity right out of the box,** with built-in networking and everything you need to start using this multifunction printer within a few minutes of setup.
- **Choose long-lasting high-capacity print cartridges.** This will lower your cost per print and minimise printer intervention.
- **An array of security features.** Includes Secure Fax Receive, which holds a fax until an authorised user logs in to retrieve it, along with SNMPv3 and IPv6 ensure that private data stays secure.
- **Xerox quality, reliability and performance.** Backed by Xerox Service and Support and a standard one-year warranty.
- **Front panel USB port.** Offers convenient scanning to and printing from a USB memory drive.

Conserve resources and stay green.

- **Adjustable power save mode.** Puts you in control of your multifunction printer's power bill.
- **Increase toner yield.** Achieved by using Toner Saver mode on draft documents.
- **One set of consumables.** Saves money and storage space. No more purchasing supplies for separate print, fax and copy machines.
- **Save paper with digital workflows,** letting you distribute documents electronically instead of on paper.

WorkCentre 3210 Quick Facts

- Up to 24 ppm
- 250-sheet paper capacity, expandable to 500 sheets
- 600 x 600 dpi (1200 x 1200 enhanced image quality)
- 360 MHz processor
- 128 MB memory (384 MB maximum)
- Colour scanning

Small-office friendly

All the office-ready features you need, sized to fit your workspace.

- **Compact, quiet and lightweight.** The WorkCentre 3210 fits perfectly in tight, busy spaces.
- **Colour scanning.** Quickly converts paper into electronic documents on your network, ready to be saved to a network or desktop folder, inserted into an application, or stored on a USB memory drive.
- **Included scan software.** Provides helpful tools for editing and document manipulation, and for organising and distributing your scanned files.
- **Edit and organise,** scanned files with Optical Character Recognition scanning tools.
- **Advanced fax features.** Includes broadcast (multisend) faxing and fax speed dials let you replace less cost-effective standalone fax machines with a single, well-integrated device.
- **PC/LAN Fax.** Allows paperless faxing right from your desktop (Windows only).
- **Manage from your desktop.** Using CentreWare® Internet Services allows you to configure, update, view status and receive event alerts remotely.
- **Expand paper capacity.** An optional 250-sheet paper tray gives you 500-sheet total capacity to reduce paper-changing trips.
- **Work team-ready,** this multifunction printer supports a diverse office environment with Microsoft® Windows®, Linux and Apple® Macintosh® systems.

1 Automatic Document Feeder holds 50 sheets.

2 Single-sheet multipurpose tray can handle envelopes, labels, postcards and transparencies.

3 250-sheet tray provides plenty of paper capacity for work group printing, copying and faxing.

4 Optional 250-sheet tray brings total capacity to 500 sheets.

5 USB memory port lets you save to, or print directly from, a USB drive - no computer needed.

6 Level indicator shows the sheets remaining in the tray.

7 Frequently used fax numbers and email addresses in address book. You can also print an address list.

8 Four-way directional pad eases menu navigation.

9 Copy both sides of an ID card to a single side of paper with ID Card Copy feature.

		WorkCentre 3210
Speed		Up to 24 ppm (A4)
